MANCINO LEVEL 4 VAULT SYSTEM

Our three-piece system consists of one 32" x 5' x 10' lattice-style pit and two each 8" x 5' x 10' skill cushions to provide the required 32", 40" and 48" height landing surfaces. Each top surface is screen printed with the required 32" stripe. Our "side strap attaching system" allows for safe and solid top stacking. All pieces are covered in premium 18oz vinyl with full "Breather Mesh" sides to allow for maximum air expulsion. We've chosen a slightly softer prime polyurethane foam filler for a more comfortable "flat back fall". Use these versatile pieces separately throughout your gym! Available as a three mat system or sold individually. Your color choice!

COMPETITION LANDING MATS

MANCINO ATTACHING SYSTEM

Eliminate stress to your mat seams with our "Hook and Loop" Attaching System. We sew industrial grade 4" wide "Loop" to the ends and/or sides of our 12cm and 20cm Competition Landing Mats.

COMPETITION LANDING MATS

Mancino now offers two 12 cm competition landing mat constructions to suit any training needs. Both are manufactured to our exacting standards, and feature "One Piece 18oz vinyl tops" (no heat sealed seams), top foam layer of 1-3/8" crosslinked polyethylene foam laminated to bottom polyurethane layer, double stitched edges, extra-wide 4" loop fasteners on mat widths and two inch polyester web handles for easy moving.

Our standard mat is filled with a softer foam combination allowing for deeper mat compression upon landing. Choose our premium mat when your heavy training needs require this firmer and more shock absorbing version. Both mats are perfectly priced to meet your budget.

MANCINO FLUFFIE MAT

This denim covered mat is perfect for skill work where the athlete is repeatedly landing on his or her stomach or back while learning a skill. Used around bars and vault for releases and timers, your athletes will love it. Soft foam and cover take away the slap and sting of landing on a traditional 8" safety mat. Easier to move around the gym than a modular pit. Tough, durable cover and high density foam give this mat a long productive life span in any gym. Size is 12" thick x 60" x 80".

PROGRESSIVE SKILL BUILDERS

LOW PRACTICE BEAM

The safe, sure way to develop skill and confidence on the balance beam. Gives beginners the feel of the beam without the height. Lets advanced gymnasts practice difficult moves with greater safety. 8' long x standard 10 cm working surface. Sits 6" off the floor. Fully carpeted with a padded top surface.

PSB-BB8 \$230.00

TRAINING BEAM

Our lightweight and portable Training Beam is perfect for developing beam and motor skills. Your Team Kids will appreciate the extra width when learning new beam tricks! Great for Pre-Schoolers, too. Top surface width is 6", base width is 18". Size is 8" high x 6' long. Various factory selected colors.

PSB-TB6 6"W x 6'L x 8"H \$159.00

SUEDE BEAM

The Suede Beam has the same construction as our Low Practice Beam but with the same suede surface as our competition balance beams.

PSB-SB8 \$240.00

MANCINO VINYL BEAM STRIPS

Perfect for quick balance drills and directional movement in every gym program. These strips are 4" wide with hook fastener tape on back for quick attachment to your Carpeted Floor. Sold in sets of 4 – Choose from two color sets.

PSB-VBSP	4 each in primary colors	\$67.00
PSB-VBSPOP	4 each in "pop" colors	\$67.00

PRESCHOOL TUMBLING TRAINING MAT SET

We've teamed with Patti Komara to develop this new set of English/Spanish Mats perfect for training Log Rolls, Left and Right Round-offs and Forward Rolls. Each mat has English and Spanish descriptions for each motion as well as brightly screened visuals for hand, foot and head placement. Set of 4 mats – our color choice.

PSB-BLM 2' x 6' \$230.00

MANCINO CARTWHEEL MAT

Our original design! Use to teach left-handed and right handed cartwheels. Factory color choice. Pack of four also available.

PSB-CWM 1 1/4" x 2' x 6' \$ 45.00

PSB-CWM4 1 1/4" x 2' x 6' \$165.00

CARTWHEEL-INATOR

A wonderful tool for any class program. This 12" by 36" with 8" peak block is a fun way to introduce students to cartwheels. Circles instead of hand prints are less confusing for young athletes who won't waste time trying to get their hands "just right". The angled top allows the hips to move over the head easier. Used for both left and right cartwheels. Can be used lengthwise for more advanced students and roundoff drills.

PSB-CART \$81.00

CATNASTICS MATS

The Mancino Catnastic Mats "speak for themselves." Just add to your circuit or obstacle course and the picture on each mat will remind the gymnast how to do the skill! Use them individually or all at once! Sold in 6 piece sets only.

PSB-CAT 1 1/4" x 2' x 4' \$299.00

HANDSTAND HELPER

Perfect for beginners or progressions with more advanced athletes. Stop the bad arching handstands before they become a habit. Reinforces the hollow body shape and keeping the head in line. Great for work pirouettes with or without a low bar. Essential bar of any conditioning or bar circuit.

PSB-HH \$125.00

WALL PADDING

SOFTWALL WAINSCOT

Mancino Softwall Wainscot panels add that extra margin of safety and protection against wall crash injuries in the gymnasium, wrestling room, multi-purpose room and other environments requiring wall cushioning. Custom fabricated column and corner pads complete your padding project. Below prices reflect 1" top and bottom nailing margin for easy installation. Please call for additional installation options if needed. Detailed Specification and Installation Information is available upon request.
